

Ulrich Oldehaver

CMO

Ulrich Oldehaver (38) has been part of MPC Capital since 1994. Since 1999, he has been a member of the MPC Capital Management Board responsible for Sales and Consultancy, Product Development, Marketing and Corporate Communication. His activities include the development of new product lines and intensive dialogue with the product and sales partners. He gained the necessary experience before he started at MPC Capital when he worked as an independent business consultant advising a significant number of private customers.

Dr. Axel Schroeder

CEO

Dr. Axel Schroeder (40) worked for the MPC Group in Germany and abroad from 1990 to 1994. Since 1994, he has had a position of responsibility at MPC Capital, whose history begun with ship investments. He became Chairman of the Management Board in 1999 and took the company onto the stock market in September 2000. His activities include Strategic Alignment, Product Development and the M&A activities.

Ulf Holländer

CFO

Ulf Holländer (47) has worked for MPC Capital since the beginning of 2000. He was appointed to the Management Board in July 2000. His responsibilities include Finance and Accounting, Risk Management, Controlling, as well as Personnel and Organisation. He previously held management positions at the shipping company Hamburg Süd and its subsidiaries in Australia and the USA.
